## Bickham Covered Bridge 38-0.29 in Richland Township Re-Opens after Repairs

The Logan County Engineer's Office announces that our Bridge Crew has completed the floor beam hanger repairs on the Bickham Covered Bridge over the Southfork of the Miami River in Richland Township on County Road 38 between State Route 366 and County Road 96.

The repairs were completed a month before scheduled due to crew efficiency and favorable weather conditions. This work was completed using Auto & Gas Tax funds.
