## **ROAD CONSTRUCTION UPDATE**

For Immediate Release: Friday, October 3, 2008

### Rushcreek Township Bridge 110-0.58

#### Opens after Replacement

The Logan County Engineer's Office announces that our crews have completed the replacement of Bridge 110-0.58, located on Rushcreek Township Road 110 between CR 50 and SR 274. The roadway is now open to traffic.

Please use caution when approaching and traveling on the bridge due to uneven grade changes and loose stone that may be present. "Rough Road" and/or "Construction Ahead" signs will remain posted until the final resurfacing is completed.

The complete bridge replacement was paid from auto and gas tax funding.
