Due to inclement weather, crews from the Logan County Highway Department had to delay the start of the project to replace a failed tile under the roadway on County Road 54. The culvert is located on County Road 54 between County Road 60 and Township Road 80.

The work is now scheduled to begin on Wednesday, January 13, 2010, through Friday, January 15, 2010, between 7:30 A.M. to 3:30 P.M., weather permitting. Overnight closures may be necessary.
