Road Construction Update

For Immediate Release: Monday, June 25, 2012

County Road 10 Roadway Repairs Between CR 55 and US 33

Crews from the Logan County Engineer's Office will begin roadway repairs on the hill between CR 55 and Tree Links Golf Course on Thursday, June 28, 2012. Construction will begin in the westbound lane at 8:00 am and traffic will be maintained with flaggers. Construction is expected to last one day and be completed by 5:00 pm, weather permitting.

This work is scheduled to make repairs prior to resurfacing of the hill and curves later this summer. Please plan other routes if possible as traffic delays should be expected during the construction.
