## Road Construction Update

For Immediate Release: Thursday, May 17, 2012

### **County Road 10 to Close for Bridge Repair**

Crews from the Logan County Highway Department will be setting a temporary traffic control zone in preparation of bridge deck repair work on bridge BR 10-5.06 located on County Road 10 between County Road 5 and Township Road 129. Completion of the temporary traffic control zone will require a one day roadway closure between the hours of 7:00 A.M. and 5:00 P.M. on Monday 05/21/12.

Once in place the temporary traffic control zone will remain throughout the duration of the bridge work. Two-way traffic will be maintained within the work zone, however, the lane widths will narrow to 9 feet and a 20 mph advisory speed will be posted. Scheduling is subject to weather conditions.

We apologize for any inconvenience that may occur.
