Logan County Engineer's Office

Public Meeting Notice

For Immediate Release: June 30, 2016

Bridge 21-1.00 Realignment Public Meeting LOG-CR21-01.00, PID 99757

The Logan County Engineer's Office announces that they will be holding a public meeting to discuss the proposed realignment of CR 21 over the Great Miami River. The project will provide a new design-standard bridge, while allowing the existing historic truss to remain in place for future preservation. The project is scheduled for construction in 2020.

Public meeting on Bridge 21-1.00 replacement project

When: Tuesday, July 19, 2016 from 5:00 pm to 6:30 pm

Where: Bloomfield Township Building, 5726 CR 21

Schedule:

5:00 pm – 5:30 pm Presentation on the project

5:30 pm – 6:15 pm Public comment by individuals

6:15 pm – 6:30 pm Open House

Citizens desiring to make public statements will be asked to limit their statements to less than three minutes. Following the public presentation and forum, citizens will be provided an opportunity to speak one-on-one with members of the project team.

We encourage you to stop by and discuss the project with us. If you are unable to attend, but would like to provide comments or have questions, please return the enclosed comment form or contact the individuals listed above.

The environmental review, consultation and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by ODOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated 12/11/2015, and executed by FHWA and ODOT.
