Re: Resolution No. 24-25
Corrected bid results for 87 Octane Regular Grade Gasoline

After further review of the received bid for 87 octane regular grade gasoline from Sunrise Cooperative, Inc., 2025 W. State Street, P.O. Box 870, Fremont, Ohio 43420, it has come to my attention that the bid price of \$2.990 per unit for 87 octane gasoline adopted in Resolution No. 24-25 was the incorrect bid amount because it did not include state tax. The correct bid amount including state tax was \$3.375 per unit. This results in RD Holder being the actual low bid for 87 octane gasoline with a firm bid price including state tax of \$3.069.

Company	Price per Gallon	Meets Specs.
R.D. Holder Oil Co. Inc.	\$3.069	Yes
Sunrise Cooperative Inc	\$3.375	Yes

Therefore, I am recommending that your honorable board amend Resolution No. 24-25 by removing Sunrise Cooperative, Inc. as the winning low bid and awarding the bid to R.D. Holder Oil Co., Inc., 600 N. Dayton Lakeview Rd. New Carlisle, Ohio 45344 for the firm bid price of \$3.069 per gallon.

In accordance with ORC 9.24, we have checked the Auditor of State's Unresolved Findings for Recovery Database and the federal system for awards management. R.D. Holder Oil Co. Inc. was not listed and we have retained the certified search confirmation pages in the project file.

This will be paid from Auto and Gas Funds.

Respectfully submitted,
