

Commissioners Record, Logan County.

Maps and Plats.

The bids for making schedules, maps and plats to enable the several District Assessors in the County to correctly reappraise all real estate in Logan County, Ohio, in 1880. were opened, and were found to be as follows, to wit:

M. W. McCormick	\$ 2,500 00
N. F. Kaubabaugh	2,500 00
S. A. Buchanan	1,800 00
Frank Krause	1,400 00

And thereupon the bid of Frank Krause was rejected for the reason that the same was not accompanied by a good and sufficient bond of not less than one thousand dollars in amount to become due and payable in case the said Frank Krause should fail or refuse to enter into contract in accordance with the advertised proposals, in case his said bid should be accepted.

And thereupon the said Board of Commissioners ^{by unanimous agreement} did award the said contract to the said S. A. Buchanan, he being the lowest and best bidder for the said work, and he is required to forthwith give a good and sufficient bond with two or more parties in the amount of Thirty six Hundred (\$3600 00) Dollars (Double amount of contract price) conditioned on the prompt, faithful and accurate performance of the work to be done in accordance with the advertised proposals for the same dated January 23rd A. D. 1879.

The Board adjourned to meet to-morrow morning at 9 a.m.

Geo. W. Stewart Auditor.
