SURVEYOR'S CERTIFICATE:

I, William H. Lewis, hereby certify that the accompanying map is a true representation of a survey made by me in April & May 1958, for the Department of Natural Resources, Division of Parks, State of Ohio under contract dated March 17, 1958. Said survey is located in Sec 36 T6 R8 Washington Township, Logan County, Ohio. All corners where possible, have been staked as shown with iron bars or pipe not less than 3/8" in diameter. The majority of the corners in the A.B. Jones were existing and were represented by 2" pipe. For the sake of accuracy, punched iron bars and railroad spikes were driven in these pipes. All field notes and closure sheets will be filed with the Division of Parks, Columbus, Ohio.
